

1LB

MACSEAL+

ANTI-SKID

ADDITIVE 100% NATURAL
RECYCLED
NON-TOXIC

ADD TO SEALERS, PAINTS, AND OTHER COATINGS TO CREATE A SLIP RESISTANT SURFACE. SUITABLE FOR INTERIOR AND EXTERIOR USE.

MacSeal Anti-Skid Additive is designed to create a slip resistant surface on walkways, pool decks, driveways, stairs, and other areas where a slip resistant surface is required.

DIRECTIONS

Add one 1lb bag of MacSeal Anti-Skid Additive to a 5 gallon pail of MacSeal Concrete Sealer. Mix thoroughly before and during application. Two 1lb bags can be used to further enhance slip resistance.
